- Three key points learned from each presenter.
- Textbook – Module 7, Lesson Plan: **The Cultural Experience** – one key point for each Module Objective.

TERM PAPER: **Reflection Paper (3 pages)**

Objective: A thoughtful reflection summarizing your experience in this course about the Community Paramedicine.

- 1). Compare and contrast your knowledge on topics covered prior to the course and after the course.
- 2). Describe some ways in which substance use and abuse can be effectively addressed in your community?
- 3). Discuss who was the most impactful speaker for you?
- 4). How do you see the knowledge you gained in this course be applied to your future career?

Graduate students, Masters of Social Work: find 2 peer reviewed articles related to substance use disorders that is applicable to their future career; briefly summarize them and identify why they are applicable.
