 - March 24, 2015
 - April 28, 2015
 - May 26, 2015
-
- Free CEU lectures follow each monthly session
 - [Free Parking Available](#)

WHY CHOOSE THE UC HEALTH SIMULATION CENTER?

The UC Health Simulation Center offers a wide variety of high-fidelity manikins that can simulate nearly any medical or trauma patient an EMS provider may encounter. Scenarios are built to challenge all levels of experience and training—from EMT-Basic to Critical Care Transport.

Each session is led by one of our experienced EMS Instructors or an EMS Physician. Each session is limited to 15 registrants to ensure that each provider is afforded an appropriate level of participation and instruction.

HOW DO I REGISTER?

Individual providers may register on our website, ucemergency.com, for a registration fee of \$35. You may pay with a credit card at the time of registration, or you may pay by check or department PO at a later date.

Departments that are interested in sending groups of four or more may contact Joshua Borkosky, EMS Education Manager, for group rates. Large groups may also reserve time on a date not listed on this flyer depending on the Simulation Center's availability.

- 4 hours of CEUs awarded
- A minimum of 3 scenarios will be run in each session
