Option 3: Organization/Partner Post

Our organization is proud to support **MATCH Cincinnati**, a unique weekend experience that connects medical students with physicians, residency programs, and the vibrant healthcare community in Greater Cincinnati.

Participants will enjoy networking opportunities, mentorship from local physicians, curated experiences throughout the city, and practical workshops focused on life during residency. Hotel accommodations are provided, and travel scholarships are available for selected participants.

Please share this opportunity with medical students in your network!

Option 4: Personal Share

I'm excited to help bring **MATCH Cincinnati** to life! If you're a medical student exploring residency opportunities, this weekend was created with you in mind.

Come experience Cincinnati, connect with physicians and residents, build your network, and see why more than **1,300 residents and fellows** choose to train here each year.
