

# MATCH Cincinnati

## Program Overview

### Connecting Future Physicians to Cincinnati

*Explore your future in medicine—through connection, mentorship, and experience*

## About the Program

MATCH Cincinnati is a grant funded weekend experience for medical students navigating and evaluating residency pathways.

Designed and led by local physicians, the program introduces participants to Cincinnati's healthcare community, training opportunities, and the people and places that make the region a dynamic place to train, live, and build a future.

## MATCH Cincinnati at a Glance

### Up to 100

medical students selected to attend

### 130+ GME Programs

in the Cincinnati Region

### Cincinnati physicians

serving as mentors

### Curated experiences

across Greater Cincinnati

## The Weekend Experience

**August 14-16, 2026**

**Cincinnati, Ohio**

### Friday

#### Arrival & Welcome

After arrival and hotel check in, join fellow medical students for a networking reception with Cincinnati young professionals and physicians in a relaxed, welcoming setting.

### Saturday

#### Explore & Experience

Spend the day with physicians across wide-ranging specialties and practice types, hear their perspectives, and tour Cincinnati through curated experiences and time to explore the city.

### Sunday

#### Reflect & Connect

Participate in small-group workshops and roundtable discussions focused on practical aspects of life in medicine—including financial planning, housing, and early career decisions.

**Accommodations provided for attendees | Travel scholarships available**

# Why Future Physicians Choose Cincinnati

**130+ GME programs • 1,300+ residents & fellows • Nationally recognized hospitals • Affordable cost of living • Vibrant neighborhoods, parks, and culture**
